**SA International Participates in Canon USA Truck Tour**

**Philadelphia, PA – June 12, 2006** – SA International (SAi), the recognized global leader in providing complete, professional software solutions for the sign making and large format digital printing industries, will be participating in the 2006 Canon USA Truck Tour. As a Canon Alliance Partner SAi will be aggressively participating in Canon USA's Truck Tour which will stop at over 80 locations throughout the United States, which include Canon Business Solutions, Danka, IKON and Independent Dealership locations. The tour began in late April and will end in December 2006.

At these locations SA International will be showcasing the Canon PhotoPRINT Select product which will be driving the Canon imagePROGRAF W6400, and other wide format printers that Canon will be releasing in their upcoming Wide Format Printer line.

"SAi is proud to be an Elite Software Partner with Canon USA," states Jim Cain, Vice President of Sales, The Americas and Japan. "Our goal is to provide Canon USA with the highest quality product and maintain the ease of use and production capabilities that Canon USA customers have come to expect from both entities."

"We are happy to have SAi participate in the Canon USA Truck Tour and take part in what will be an exciting exhibition of print and office technology," remarks Tod Pike, senior vice president, Imaging Systems Group, Canon U.S.A., Inc.

**About SA International:**

SAi is recognized as a global leader in providing complete, professional software solutions from design to production for the sign making, digital printing, and CNC machining industries. The Company's software solutions help turn creative ideas into reality by providing world-class design and editing tools geared for production. Headquartered in Philadelphia, Pennsylvania, SAi has additional offices in Belgium, Brazil, Puerto Rico, Japan, UK and Russia.
